

## Business of the Month Policy

January 2016

Each month a Business Member is randomly drawn at the Chamber of Commerce meeting from those members in attendance. That member is then recognized on our website, on our FaceBook page, at the Overgaard Post Office and at the Chamber of Commerce office. Of course 'bragging rights' is also an important part of this honor as well.

In order to share this membership perk with as many businesses as possible a member can only be recognized once in a 12 month period.

Plan on being at our next meeting, held the second Tuesday of each month, and your business could be featured as the Heber-Overgaard Chamber of Commerce Business of the Month.
