**Project Linus is a non-profit organization
with a two-fold mission.**

**First, it is our mission to provide love, a sense of
security, warmth and comfort to children who are
seriously ill, traumatized, or otherwise in need
through the gifts of new, handmade blankets and
afghans, lovingly created by volunteer
“Blanketeers.”**

**Second, it is our mission to provide a rewarding
and fun service opportunity for interested
individuals and groups in local communities, for the
benefit of children.**
